

### **Tadmarton Allotments – plots available**

With better weather on the horizon, spring will soon be here! Half size plots available now to Taddy & Swalcliffe residents. These are smaller than traditional allotment plots, so not too daunting, and March/April is the perfect time to start. If you are interested in growing your own food/flowers and getting out in nature, contact Christine Coles, Parish Clerk, 01295 276229 or [clerk@tadmarton-pc.gov.uk](mailto:clerk@tadmarton-pc.gov.uk)

No experience is necessary and there is plenty of advice/guidance available from our friendly plot holders.

Many thanks, Tadmarton Parish Council
