

## Swalcliffe & Tadmarton Horticultural Society

We had a well-attended talk in December learning about amazing swifts, including: top level flight speed of 69mph, migrating 3,400 miles twice a year, and living most of their lives on the wing. Also, how we can help improve swift populations as their numbers have been in serious decline. Thank you, Tim Huckvale, for such a fascinating insight.

### SOCIETY MEMBERSHIP

People from anywhere can join. Only £10 membership for a whole year!

#### **Membership benefits:**

Discounts from local garden centres; a wide range of talks; compost discounts & delivered to Tadmarton; interesting and inspiring garden visits; AGM with cheese and wine.

For more information on how to join this friendly and active group contact:
