CRAFT IN COMPANY !

Our local Craft In Company group meets each second Sunday afternoon of the month. Our next shared session is on January 8th .

*Please drop in at any time between 1.30pm and 4.30pm with items / patterns that you need advice for towards making, re-purposing, altering or repairing.* 

Our past sessions have introduced and will continue to explore, the many skills which are listed here:

Recognising what materials are good to be used in the different crafting applications. Using the correct tools for the job Reading patterns and Helpful hints. How to use an overlocker Shirring, Angelina fibre

When you think about crafting think of: Making curtains and blinds, school costumes (World Book Day), Clothes alterations, Bag making, Scrunchies Sashiko – Japanese embroidery, knitted clothing, Crochet, Yarn and Wool craft.

Craft magazine swap and pattern book library.

Come and see us in action and enjoy a cuppa and a biscuit in a warm and welcoming hall whilst you are here.
